3. Personalized SMS

This SMS feature works well for conditional case, for example –

Mr. Arif has 20,000 Tk at Ba bank and his mobile no is: 017xxxxxxxx, Ms. Dina has 25,000 TK at Be bank and her mobile no is: 018xxxxxxxx. Now you want to inform them their balance and bank name. Boomcast can help you here.

Just download our template.

Choose Custom SMS Template

Please select Excel file No file chosen

- 1) For Conditional SMS, download the Custom template for reference.
- 2) The number base must be in the first column
- 3) First row must be the variable names
- 4) Please format all the cells into TEXT
